### Events In Review

#### **"A Day at the Farm" Children's Event**

On October 5, 2002, Give Back Cincinnati provided a "Day at the Farm" for local children from the Boy's and Girl's Club of Cincinnati and St. Joseph's Orphanage. The event was held at Parky's Farm in Winton Woods and the weather was perfect for a day of outdoor fun! The day was kicked off with lunch for everyone at Parky's outdoor pavilion. After lunch, the kids and members had the opportunity to run through a corn maze, tour the farm via a tractor pull, play with animals at the petting zoo (including the infamous hairy rooster), participate in play barn games, and much more. The day ended with lots of smiles and treats for the kids to take home.

Give Back Cincinnati wants to thank Give Back member, Steva Yarbrough for her efforts in organizing a successful event, the members for their participation, and Parky's Farm for providing the facilities. The event was a huge success thanks to everyone involved!
